Rugby League Skills

A very successful and enjoyable Rugby League skills day, complete with free sausage sizzle, fruit and drinks was held at Clunes School on Friday. The day, which involved all students from Years 3-6, was sponsored by Rugby League NSW and organised by Kadina High School. Students from Kadina High School led the skills training at various activity stations and served the barbecue. The day was very well organised and conducted.

The second stage of the program involves a gala day at Kadina High School on Friday, 23rd November. Four teams will attend and compete against other primary schools. Years 3 and 4 will provide a boys' team and a girls' team for Aus Tag, Years 5 and 6 will provide a girls' team for Aus Tag and boys from Years 5 and 6 will provide a boys' team for a game of Rugby League. All games will be strictly supervised and conducted in accordance with the policy on Safe Conduct

of Sport and Physical Activities in Schools. Notes have been sent home to selected students.

Rehearsals are underway for our end-of-year concert items. Mrs McKay has spoken to classes about organising costumes and we would like you to help by putting together your child's costume as soon as possible, as time is fast running out and we are trying to avoid a last minute panic. As well, all children need to have automatic recall of their lines. Unfortunately, most children have not reached this stage yet. If your child has a part to learn, we would very much appreciate it if you could take your child through this/her lines each night until they know their part thoroughly.
