SENSATIONAL WEEK OF SWIMMING

What a fantastic week, while the weather looked menacing, the water was fine and nothing was going to stop the students having a great time while improving water safety and fitness skills ready for the summer season.

Kelly from Alstonville Pool was fantastic in pulling together the Aus-Swim team and organising a Covid-safe program that went swimmingly! Our students set the bar high with their amazing efforts in the pool and their wonderful behaviour during the week.

RED DAY FOR SIDS LAST TUESDAY

SRC's Red Day was a great success with the school raising **\$ 243.00** Thank you to everyone who supported the day and to the Bower family who organised the merchandise to sell. We hope our donation goes a small way towards discovering the cause and preventing these very tragic deaths.

TODAY WE REMEMBER

Well done to our 4/5/6 students, Student Council

Representatives and School Captains who held a very respectful and thoughtful ceremony. A big thanks to all our families who sent flowers to lay in memory of the fallen.

LEST WE FORGET.

KINDER ORIENTATION

Yesterday was the last day of our 2022 Kindergarten student orientation. The dynamic group had another amazing day, having the whole playground and school to themselves while we were out swimming. We continue to have inquiries from potential new students and ask that new families contact the school ASAP to assist us with class structures for the new year.

FILTERED HYGIENIC WATER STATION IS INSTALLED

We are so pleased to announce that our water station with bubblers and bottle refill stations has been installed and is

being well used. The bubblers are angled to enable drinking at an angle and students can be hands free as they fill up their bottles with the chilled water by pressing the button with their thigh.

Thank you to everyone who supported P & C fund raisers which contributed to this long-awaited project. The project was co-funded 60/40 with the Asset Management Unit. The school / P & C cost was \$7265 of which the P&C contribution is \$3000.

2021 PARENT/ CARER SEM 2 SURVEY

Please take the time to complete this important survey which closes on TOMORROW.

P & C CANTEEN SENSATIONAL SUSHI SELL OUT

We all greatly appreciated the delicious sushi rolls made and sold by Amy [Sachi and Tansy's mum] and Shannon [Cole, Claire and Tessa's mum]. We can't wait until the next canteen lunch.

NO PEEKING!

We are very excited to have begun the art mural project with materials funded by one of our Kindergarten grandparents.

Michelle Slee
Principal

EXPECTATION of the WEEK

"In a world where you can be anything – be kind"

Student Awards

Congratulations to last week's award recipients -

Our **Citizenship Award** recipient is Edith Baker.

K-1 Classroom

Jim Trendall - For consistent engagement in all areas of his learning

Dulcie Ellis - For consistent efforts in doing her homework

Edith Baker - For improvements in her reading fluency

2-3 Classroom

Magnus Mactier - Magnus has been continuing to develop mature work habits which has been wonderful to see. Keep it up Magnus.

Rosalie Frappell - Rosalie has been working hard to develop her confidence when trying new things. Great work Rosalie.

Sophia Fernance - Sophia has been working very hard with her reading, using fluency and gaining confidence in her ability. Great work Sophia.

4-5-6 Classroom

Emielia Chapman – Well done for settling really well into our 4-5-6 class. You have brought kindness and consideration to our classroom. Well done, Emielia.

Kyah Hosking – Well Done: Sometimes we can be confronted with an opportunity and fear will stop us from taking the challenge on. It was wonderful to see Kyah face a big challenge and show great courage when putting her hand up to participate and try her best. Well done, Kyah.

Natasha Frappell – During maths classes Natasha has made a concerted effort in developing and improving her skills. Natasha produced a greatly improved result in Patterns and Algebra. Great work Natasha.

Noah Gallagher-Summers – Merit – Noah has shown great dedication and enthusiasm to improving his mathematical skills this term and this is being replicated in his results. Congratulations Noah.

Notes Due Back at School

Y5 / Y6 Adoles-sense Program 26 November

Clunes OSHC

It was Remembrance Day today and the children at Clunes OSHC have been working hard to honour those that sacrificed their lives, and their loved ones, so that we can live how we do today. The children have been engaging with technology to decide what they would make. They explored Pinterest and You Tube to find fun projects - the first was pom poms. We all had to watch a You Tube video on how to make cardboard pom-pom makers and then how to make the pom poms. The children experimented by changing the colours to make the middle of the poppy and the different thicknesses to make fluffier flowers. We tied some together to make a wreath to be laid at the ceremony.

The children also made poppy lanterns. This developed the children's fine motor skills as they had to cut delicately around each flower and then in the middle. We made a few different types ready for Thursday.

We are halfway through term four already and we will be open from the 17th till the 24th of December. If you would like any of these days we have started to take bookings.

We are working hard on the December-January Vacation care program and are now taking bookings. The last few holidays we have been booked up, so please get in early if you need care. Please book after school care or vacation care by calling or texting 0437362834.

From Laura and Clunes OSHC

Frozen Quelch fruit sticks on sale this Friday at recess. 50 cents each

*Sugar free icy poles available
All profits go to Student Representative Council.*
